To order shirts, list the child's first name, grade, size and color using the abbreviations listed above for each. If you are ordering more than one shirt for a child, use a separate line for each shirt. You only need to write each child's name and grade once. List all the shirts for that child and then if you have another child write their name and grade and repeat.

All Students in grades Pre-Kindergarten - Fifth grade need to order at least one royal blue shirt for class trips.

You may also fill out your order on line if you wish and the cost of the order will be added to your bill on Clerical Day. To order on line go to the school's website gls-hsv.org click on the athletics tab which will take you to the main sports home page. Then click on the link for "School T-shirt order" and fill out the required information. You will need to submit a separate order form for each shirt you purchase.
